

**Siem Ia**  
**2009-2010 Alumni Association Scholarship Recipient**

**Siem Ia** has a bachelor's in physiological science and psychology from the University of California – Los Angeles. In college, she studied abroad in Florence, Italy. After college, she worked as a family liaison at the UCLA Medical Home Program, coordinating care for children with special needs. She plans to become a neonatal nurse practitioner so she can help alleviate challenges facing critically ill children and their families.
