

COLUMBIA TRAVEL MEDICINE AT CAPNA

Before you see the world, see us.

Columbia Travel Medicine at CAPNA provides personalized travel health services to prepare you to travel safely and stay in good health. Visit our travel medicine practice on 60th Street and Madison before you go: we will evaluate your health and current medications, examine your itinerary,

and recommend and administer appropriate immunizations. We offer complete consultations on dietary requirements while traveling, safety precautions and travel medical kits, and whatever else you need to prepare for a healthy and enjoyable trip anywhere in the world.
